* Rinse all cleaning agents thoroughly with water and wipe with a soft cloth. Residue left by cleaning agents will degrade and shorten the life and/or affect the product's appearance if not removed.

* This list represents some of the most common options available and is not intended to be comprehensive.

* The cleaning recommendations above are just a guide and intended to help the maintenance of the specified product. Pointe neither guarantees, nor will take any responsibility the specific results, as testing of these products was conducted under laboratory conditions and results may vary under actual conditions.

* Pointe is not liable for any intentional stains, and the damage resulting from lack of cleaning, the misuse of the cleaning agents, or the use of inappropriate cleaning agents for the product. Under no circumstance, shall Pointe be liable for any incidental, consequential, or other damage resulting from negligence, misuse, mishandling or exposure to any of the chemicals used in conjunction with the cleaning/maintenance of the product.
